F. No. AICTE/P&AP/NCC-GE/Circular/2021/

Dated: 26.04.2021

CIRCULAR

To,

All Directors / Principals of AICTE Approved Institutions

Sub: NCC as General Elective Credit Course.

Dear Sir / Madam,

NEP-2020 advocates Choice Based Credit System (CBCS) as integral part of education and it has been felt that NCC should be introduced as general elective credit course in technical institutions / universities to motivate students to join NCC in order to be disciplined and instil in them the feelings of patriotism. All students who enroll for NCC will immensely benefit by obtaining academic credits for NCC training in addition to acquiring NCC "B"/ "C" certificates, thus enhancing their employment opportunities.

Ministry of Education (then MHRD) in 2015 decided to implement the decision and UGC in 2016 also issued circular to all universities to implement the aforesaid decision taken. However, somehow it could not be implemented then.

In order to fulfil this objective, an in-depth study has been carried out by DG-NCC to have NCC as a General Elective Credit Course as per NEP-2020, under the "Choice Based Credit System".

Ministry of Education has now suggested to take appropriate steps in implementing the aforesaid decision.

You are, therefore, requested to extend this facility to your students, so that they may opt NCC as "General Elective Credit Course" from the academic year 2021-2022.

Regards,

General

2. NEP 2020 was announced in the year 2020 by Gol and is on course for implementation in a phased manner.
3. The Ministry of Human Resource Development, as part of discussion in the JSR&D Conference held on 30th July, 2015 had decided to implement NCC as an elective subject. Accordingly universities were urged to implement NCC as an elective subject vide UGC letter No .D.O.No.F.I 4-25/2016(CPP-II) dated 11th November, 2016. However, it did not get implemented in the desired manner due to various factors.
4. Now with NEP 2020 having "Choice Based Credit System" (CBCS) as its component, it has been felt that NCC should be introduced as General Elective Credit Course in universities and colleges having NCC to make it more popular thereby benefiting the student fraternity enrolled with NCC.
5. In order to meet this requirement an 'in depth' study has been carried out by DGNCC to have NCC as a General Elective Credit Course as per NEP 2020, under the 'Choice Based Credit System'.

Proposal

6. It is proposed that UGC may issue instructions to all universities and autonomous colleges to implement NCC as General Elective Credit Course. The major benefits of the same are as follows :-
 - (a) All students who enroll as NCC cadets will immensely benefit by obtaining academic credit for NCC training in addition to acquiring valuable NCC 'B' and 'C' certificates.
 - (b) Strengthen NCC training standards by virtue of more accountability and expectation of students apart from extending due credit to Associate NCC Officers for their work load on NCC training.
 - (c) More students as cadets will be able to avail employment incentives and benefits offered under various Central and State Govt Schemes to NCC cadets. These benefits are appended at **Appendix 'C'**.

7. The Credit Course to be introduced in all universities and autonomous colleges across India which are currently having NCC Troops/companies as allotted by Headquarters DGNCC, including private colleges which have been allotted NCC under Fully Self Financed Scheme (FSFS). This will ensure that Credit Course do not exceed the current capacity of NCC to provide trainers and training infrastructure. This will also ensure smooth transition from present system to Credit Course System.

8. NCC has developed NCC General Elective Credit Course design that is uniform and universally implementable, which is in conformity with UGC policy on CBCS. The proposed model aligns with NEP 2020 thereby strengthening of NCC training.

9. Proposed course design for NCC General Elective Credit Course is appended as **Appendix 'A'**. The comprehensive NCC Course design document along with rules and regulations will be on the DGNCC website.

10. You are requested to issue suitable instructions to all universities and autonomous colleges for adoption of this proposal as given in Appendix 'B'. The concerned NCC Directorates of respective States/UTs will engage with universities and colleges to work out the modalities of implementation. Contact details of nodal person at Head Quarter DGNCC, New Delhi and respective NCC Directorates in the States/UTs are given as **Appendix 'B'**.

11. Likewise, Rashtriya Uchha Sikhsha Abiyan (RUSA) offices in States are urged to interact with respective State Govts and facilitate implementation of NCC as General Elective Credit Course in State Universities/ colleges with NCC units.

Dear Smt. Ishita Roy,

Please refer to DG NCC's letter number 4145/Elec Sub/DGNCC/Trg 'A' dated 7th October 2013 and subsequent reminder dated 27th July 2015(Copies enclosed) regarding implementation of NCC as an elective subject by State Universities and Schools.

2. The matter was also considered in the JSR&D Conference held on 30th July 2015. Hon'ble Raksha Rajya Mantri, the Chairman, directed that implementation of NCC as an elective subject be taken up by all States in an early time frame and also desired that MoHRD may also process the case with all States.

3. NCC has already been taken up as an elective subject by 17 CBSE schools. 55 colleges nationwide have also implemented NCC as an elective subject. However, so far no State Government schools have taken up this scheme. The proposals have been forwarded by NCC State Dtes to State Education Departments for consideration.

4. In view of the above, you are requested to process the case for implementation of NCC as an elective subject with all States/Union Territories under intimation to DGNCC and Ministry of Defence.

With regards,

Yours sincerely,
