##### Automobile Workshop

RKDF Media News

7/11/2019-TO 11/11/2019

Presented By: MR. GAGAN SHARMA (Associate Professor) and MR. AJIT KUMAR TIWARI

The "Automobile Workshop," jointly presented by Mr. Gagan Sharma, Associate Professor, and Mr. Ajit Kumar Tiwari, was a highly enriching experience for participants in the automobile field. This workshop provided a unique opportunity for individuals passionate about automobiles to deepen their knowledge and skills in this dynamic industry.

Mr. Sharma and Mr. Tiwari, both, shared valuable insights into the latest trends, technologies, and innovations within the automotive sector. They offered a comprehensive view of the ever-evolving landscape, covering topics ranging from sustainable practices to cutting-edge advancements in automotive engineering.

One of the standout features of the workshop was its hands-on approach. Participants had the chance to engage in practical exercises, gaining firsthand experience in vehicle diagnostics, maintenance, and repair. This experiential learning was invaluable in helping attendees understand the intricacies of modern automobiles.

Furthermore, the workshop fostered a sense of community among participants, allowing them to network, collaborate, and share their enthusiasm for all things automotive. As they departed, participants carried with them newfound knowledge, skills, and a deeper appreciation for the multifaceted world of automobiles.

Presented By: DR. RITESH SADIWALA (HEAD of The Department)

The "Industrial Training Report" session, led by Dr. Ritesh Sadiwala, Head of the Department, was an insightful exploration of the vital role of industry-specific skills in the professional world. Dr. Sadiwala's presentation provided a deep understanding of the practical skills required to thrive in various industrial sectors.

During the session, participants were exposed to the intricacies of industry-specific skills, emphasizing their importance in career

development. Dr. Sadiwala elaborated on the significance of acquiring and honing these skills, which go beyond theoretical knowledge and play a pivotal role in bridging the gap between education and employment.

The speaker's insights shed light on how these skills empower individuals to navigate the complexities of the industrial landscape, making them valuable assets to potential employers. Attendees left the session with a renewed appreciation for the practical aspects of their chosen fields and a clearer vision of how to develop and apply industry-specific skills in their future endeavors. Dr. Sadiwala's guidance served as a beacon, guiding aspiring professionals towards a successful and fulfilling career in their respective industries.

## Seminars and Workshops

### Seminar on Higher Education Scenario after covid-19 and skill Development

RKDF MEDIA NEWS

The "Seminar on Higher Education Scenario after COVID-19 and Skill Development" is a timely and crucial event that seeks to address the transformative shifts in the landscape of higher education in the aftermath of the pandemic. As the world grapples with the challenges posed by COVID-19, the seminar provides a platform for educators, policymakers, and stakeholders to come together and envision the future of higher education.

The pandemic has accelerated the adoption of technology in education, prompting a reevaluation of traditional teaching methods. The seminar will explore the potential of online learning, blended learning approaches, and the integration of advanced technologies to enhance the quality and accessibility of higher education.

Additionally, the seminar will delve into the significance of skill development in preparing students for a rapidly evolving job market. The pandemic has highlighted the need for adaptable and resilient skillsets that can withstand future uncertainties. The seminar will deliberate on ways to bridge the gap between academia and industry, fostering collaboration to ensure that graduates are equipped with relevant and marketable skills.

By fostering dialogue and knowledge exchange, the seminar aims to chart a transformative path for higher education that embraces innovation, inclusivity, and responsiveness to societal needs. It seeks to shape a future where higher education equips individuals with the knowledge, skills, and mindset to thrive in a post-pandemic world, contributing to global progress and sustainable development.

### Seminar on Skill of Research Paper Writing, RKDF UNIVERSITY, BHOPAL

RKDF MEDIA NEWS

The "Seminar on the Skill of Research Paper Writing" presents a unique opportunity for aspiring scholars, researchers, and students to delve into the art and science of crafting impactful research papers. As a foundational pillar of academia, research paper writing demands meticulous attention to detail, critical analysis, and effective communication.

Throughout the seminar, participants will embark on an enriching journey, honing their research skills and mastering the art of presenting findings in a structured and coherent manner. Emphasizing the importance of originality, the seminar will encourage participants to delve into diverse research methodologies, fostering a spirit of inquiry and discovery.

Experienced academicians and seasoned researchers will share valuable insights, unveiling time-tested techniques and best practices that elevate the quality of research papers. The seminar will explore the significance of literature review, methodology, data analysis, and result interpretation, guiding participants in synthesizing their research into meaningful contributions to their respective fields.

Moreover, the seminar will address the ethical dimensions of research, emphasizing the importance of integrity, proper citation, and adherence to academic conventions. Participants will gain a deeper understanding of the significance of peer review and the importance of publishing in reputable journals.

Interactive workshops and practical exercises will provide hands-on experience, empowering participants to overcome common challenges in research paper writing. From formulating a compelling research question to crafting a well-structured abstract, participants will acquire essential skills for navigating the intricacies of academic writing.

As the seminar culminates, participants will be equipped with the tools to embark on their research endeavors with confidence and finesse. By nurturing the skill of research paper writing, the seminar aims to foster a community of scholars who contribute meaningfully to the academic landscape, advancing knowledge and making a lasting impact in their respective fields.
